

Fundraising challenge tips

How to raise and return money

Online: Go to justgiving.com/sarcomaUK to set up your page. Don't forget to tell people why you are supporting Sarcoma UK and raise awareness.

Offline: Ways to send in your cash donations:

- Send us a cheque made payable to Sarcoma UK
- Pay via our website at sarcoma.org.uk/donate
- Contact us for our bank account details

Whichever method you choose, include a note with your name so we know who the donation came from.

Promote your fundraising

- Use social media and email to let your friends and family know how they can help.
- Feeling creative? We can send you our special high quality fundraising logo to use.
- 20% of donations come in after an event so make sure you tell everyone how you did.

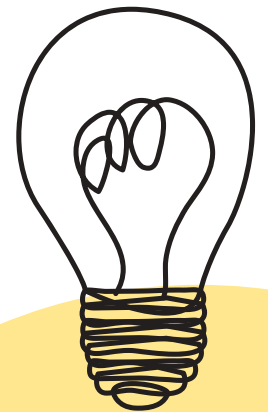

Find the right challenge for you

Check our website to find out how you can apply for one of our charity places in a challenge.

You can also secure your own place in a challenge event. Our website has ideas for a mix of hikes, bike rides and skydives.

Organising your own challenge and unsure of the needed legal requirements? Get in touch.
